

Please check this document before registering for class as changes may occur.

Important changes

Technical Writing will be the only 5-week general course. All other general courses will be either 8 or 15 weeks long. Please note that the start dates for nursing courses do not always align with general courses. Refer to the table below. For instructions on how to log in to the Delivery Platform, please visit the Technical Support page of the website: <http://academicpartnerships.uta.edu/>
